On May 7, 2008, US Army 1st Lt. Brian Brennan of Howell, NJ, an Operation Enduring Freedom combat veteran, was seriously injured in Afghanistan when an IED exploded under the humvee in which he was traveling. Lt. Brennan suffered cardiac arrest, multiple fractures and traumatic brain injury. He returned home a double amputee.

Lt. Brennan's passion to give back and help others facing the same struggles he endured has led to the establishment of the "Brennan Stands Alone Foundation". The Foundation was created to ease the burden of routine stress for those injured in the line of duty in order that they may focus on treatment and rehabilitation.

The GMCC Young Professionals Group is delighted to benefit the local charity at this year's CWK.

It being the 10 year anniversary of 9-11, the Greater Monmouth Chamber is trying to recognize and help our local heroes as much as possible. The Chamber also announced a new program to involve hundreds of employers in connecting returning veterans with employment opportunities in the county.

Please contact the office at 732-462-3030 to learn more.
